

Praise JESUS CHRIST of Nazareth brothers and sisters, Satan comes to steal, kill, and destroy. But JESUS CHRIST came to give life—life that is full and good. Our fight is not against people on earth. We are fighting against the rulers and authorities and the powers of this world's darkness. We are fighting against the spiritual powers of evil in the heavenly places. Control yourselves and be careful! The devil is your enemy, and he goes around like a roaring lion looking for someone to attack and eat. Don't give the devil a way to defeat you. So give yourselves to God. Stand against the devil, and he will run away from you.

Jesus said "I saw Satan falling like lightning from the sky. He is the enemy, but know that I have given you more power than he has. I have given you power to crush his snakes and scorpions under your feet. Nothing will hurt you. And the people who believe will be able to do these things as proof: They will use my name to force demons out of people.

Knowing this I urge you brothers and sisters to listen and speak the casting out and receiving prayers, to be set free from spiritual captivity.
